Alderney Breakwater

This long breakwater is not the property of Alderney. No vehicles are allowed on it. There are no toilets or rubbish bins available, and anglers must take all their litter away with them. There is life saving equipment halfway along and at the far end. It is not really suitable for children without adult supervision and in rough weather water will break over the top. The Harbourmaster has authority over anyone visiting the breakwater and his advice should be sought if necessary. Even in calm weather huge swells may spring out of nowhere and wash the entire length of the structure. If the locals leave, then leave yourself. Please do not take risks.
